They say keep the cadets busy.

On 6 May the squadron color guards will compete to gain the title of Minnesota Wing Color Guard in a competition at Scott Highland Middle School, Apple Valley. On the same day, at the same place squadrons can send four person teams to compete in a quiz bowl.

Registration packets will be sent to the units within the next week.

Encampment Preparation School

Anoka Co Composite is going to again host this school 19-21 May to help prepare those planning on attend Encampment 17-24 June at Grand Forks.

NCR Cadet Leadership School

This school is once again being offered from 10-17 June. For more information contact me. I am very interested if you desire to attend, but recognize the scheduled date as conflicting with the end of your school year. This can affect the rescheduling of the event in 2001.
